About Corrugex

Corrugex – The international exhibition & conference on corrugated box, machinery, technology & allied industries will allow exhibitors to present their latest technology trends, production processes and services, covering the entire production and processing chain of the corrugated box industry. In its 2nd edition, it will bring together the industry experts from the corrugated packaging industry to gather under one roof. The show is a proven platform for corrugated industry to do business, and it's an ideal place to meet new contacts and win new business!

The Corrugex is co-located with Paperex - is the only comprehensive platform for paper manufacturers, traders & buyers and also established itself as a business festival of the paper industry for joint ventures, investments and technology transfer promoting overall growth of paper industry in the country.

About Industry

India corrugated box industry grew from at a CAGR of 23.3% in terms of revenue

Corrugated Boxes are one of the main packaging boxes involved in the packaging industry. Popularly known as shipper carton, they are generally used to safely pack materials for stronger & transit purposes. Since it is sturdy, it makes them ideal for easy transportation and are widely used in almost every industry. Factors such as increasing demand from fresh food and beverages, home & personal care goods, electronic goods industries, logistics application, increasing consumer awareness towards sustainable packaging and growth of the e-commerce industry have propelled the growth of Indian corrugated boxes market.

Corrugation industry in India

- Market Size: India corrugated box industry is an inevitable part of manufacturing sector which rely heavily on corrugated packaging for finished goods transportation and handling. India corrugated box industry grew from at a **CAGR of 23.3%** in terms of revenue.
- India corrugated box market is expected to reach over INR **63,000 Crore** by **FY'2023**: Ken Research
- India Corrugated Box Market Outlook to 2023 – by Ply/Box Type (3ply, 5ply, 7ply and 9ply), by End User (FMCG, Automotive, Textile, Electronics & Appliances and Others), by Slotted, Die-Cue Box and Others” provides a comprehensive analysis on India corrugated box Market

Corrugated box market in India – Key Growth Drivers

Increasing demand of agri packaging

Increasing demand in pharma

Electronic & automobile sector

Demand due to change in lifestyle & mall culture

Key Trends

- The global corrugated packaging market is expected to grow at a CAGR of 4.6% during the forecast period, to reach \$195.9 billion by 2024
- Large Corporates and Bulk users of corrugated boxes looking for single source/multiple alternative vendors – capable of meeting stringent specifications, offering alternative designs, just-in-time deliveries at optimum cost
- Growing interest in machines made in China, Taiwan and other Asian countries is now meta-morphing to next level of European machines
- Many Indian machinery manufacturers are entering into alliances with Chinese, Taiwanese & European manufacturers for manufacturing/marketing

Event Feature

Creating platform for the corrugated packaging industry

Networking & learning techniques

Develop international presence

Sourcing machines

Generate business leads

Maximise your ROI

Conference-An opportunity to collaborate learn and network with the industry leaders and professionals

International conference on corrugated box machinery, technology & allied industries

The Conference is India's most important gathering of the industry leaders in corrugated packaging and user industry. Get inspired by visionary leaders who have unique perspectives on business and technology. Meet the experts and learn about the latest strategic trends and explore how these insights can be applied to achieve your mission-critical priorities.

Why attend conference?

Learn how to develop better and efficient strategies to minimise costs and increase customer loyalty

Explore latest innovations and new technologies relevant to the corrugated packaging industry

Improve your customer engagement strategies from leading industry experts to stay ahead in an already challenging industry and environment

Network with industry thought leaders and experts on an international scale and keep yourself informed on the trends and expectations for the future

30+ speaking experts and subject matter experts from corrugated, packaging & printing industry from India and around the world

Exhibitor Profile

- Corrugated Box Making Machinery
- Testing Equipments
- Adhesives
- Inks
- Ancillary Equipments
- Kraft Paper
- Papers – corrugated and carton board
- Consumables
- Corrugating line, equipment and components
- Corrugated and carton converting machinery
- Design and CAD/CAM
- Printing processes and equipment
- Cutting, creasing and die cutting equipment
- Ancillary equipment
- Materials handling and warehousing
- Pallet strapping and handling systems
- MIS and plant scheduling systems
- Waste extraction and baling

Visitor Profile

- Corrugated Box Manufacturers
- Folding carton converters
- Packaging designers and specifiers
- Rigid carton manufacturers
- Honeycomb board manufacturers
- Core board and core tube manufacturers
- Converters
- Designers for Corrugated Box & related
- Packaging
- Industry Consultants and Trade agencies
- Paper Mills Printers
- End-Users

Industry Sectors including:

- Food and beverage
- Furniture
- Transport and logistics
- Cosmetics
- Electrical appliances and electronics
- Pharmaceutical
- Tobacco
- Packaging
- Printing

Unlimited Opportunities: -

FOR EXHIBITOR

- Showcase your products or demonstrate solutions to your target audience who are mainly decision makers & various sector of industry
- Communicate the application and value of your solution to potential clients
- Generate brand awareness and position your brand as an industry expert
- Expand your network of potential clients and identify new opportunities and development areas
- One on One interaction with the industry professionals

FOR SPONSOR

- Enhance your leadership status
- Educate and inspire a targeted audience with your products and services
- Find new customers and develop business partnerships
- Build leadership status in the industry

FOR VISITOR

- Stay informed about the latest technological innovations in paper industry
- Gain profound insights into current global trends
- Get connected at exclusive networking events
- Explore availability of raw materials and suppliers
- Attend interactive workshops and seminars at the exhibition
- Unparalleled opportunity for business tie-ups

www.hyve.group

We are Hyve - We create unmissable events, where people from all corners of the globe connect, learn & inspire, sharing extraordinary moments, advancing businesses and helping to shape industries. Our vision is to create the world's leading portfolio of content-driven, must-attend events delivering an outstanding experience and return on investment for our customers. This vision sits at the heart of everything we do and informs every decision we make.

We have more than 130 events taking place every year all around the world, and across multiple industry sectors from fashion to food and building to tourism.
